SFSU Business Students—Important Changes!

#1: *You may withdraw from a business course only ONCE.* The next time you register for the class, you must complete it.

#2: *Core business courses can be taken no more than THREE times.* Each time you receive a letter grade, or a W, WU, I, CR, NC, AU, or RD, it counts towards your total of three times.

This means **you must be sure to drop classes yourself. Do NOT count on the instructor to drop you** even if s/he tells you that you cannot take the class. Any student with two or more attempts before Fall 2004 will be given just one more attempt.

If you have taken a class three or more times, you will be blocked from registering for that class in Gator Reg. Go to BUS 137 for advising.

#3: *You must earn a grade of at least C- in a core business course* being used as a prerequisite for another core business course.

This means **you must earn a C- or better in the following core courses:** ACCT 100, ACCT 101, DS 212, FIN 350, BUS 360, ISYS 363, MGMT 405, DS 412, and MKTG 431

If you received a grade of D+, D, or D- in any core course before Spring 2005, you will be given an exception to this rule.

#4: *All communication regarding student policies, schedule changes, and so on will be emailed to your SFSU account.* It is your responsibility to check it regularly and/or forward email from this account to your preferred email address.

These changes have been made by the faculty in order to ensure classes are available for qualified students, which will help hard-working students graduate more quickly.
