

Stalla students pass at about twice the rate of non-Stalla students

What's included in my course tuition?

Textbooks, *PassMaster Software* and live instruction. *Stalla Review* for the *CFA Exam* offers the most comprehensive preparatory course for the Chartered Financial Analyst Examination! We are pleased to announce the following programs and special features.

100% LIVE INSTRUCTOR-LED WEEKLY CLASS **\$790***

Our 100% live instructor-led class is comprised of sixteen 2 1/2 hour weekly classes. Our lectures provide coverage on each topic, followed by practice questions to focus on what the examiners expect you to know.

*San Francisco State University students receive \$500 off the full course tuition. Go to www.stalla.com to register (use promo code 'SFSU04')

PASSMASTER SOFTWARE

No other course offers the likes of *PassMaster*. *PassMaster* contains thousands of questions, including past CFA exam questions, each with detailed explanations. A complete set of *Stalla Textbooks* are built into the software with automatic links between questions being attempted and the related text material. In addition, *PassMaster* will generate simulated exams, progress reports, and on-screen pacers and timers to sharpen your test-taking skills.

STALLA TEXTBOOKS

The textbooks form the nucleus of the *Stalla CFA Program*. The books are organized into individual lessons corresponding to the AIMR Study Sessions and Learning Outcome Statements (LOS). The *Stalla Textbooks* also provide practice questions at key points in the text to reinforce the material and put abstract concepts to immediate practical use.
