Paragraph

A paragraph (from the Greek paragraphs, "to write beside" or "written beside") is a self-contained unit of a discourse in writing dealing with a particular point or idea. A paragraph consists of one or more sentences. Though not required by the syntax of any language, paragraphs are usually an expected part of formal writing, used to organize longer prose.

Blockquote

A block quotation (also known as a long quotation or extract) is a quotation in a written document, that is set off from the main text as a paragraph, or block of text, and typically distinguished visually using indentation and a different typeface or smaller size quotation.

Inline Elements

This is a [text link](#)

Strong is used to indicate strong importance

This text has added emphasis

The **b** element is stylistically different text from normal text, without any special importance

The *i* element is text that is set off from the normal text

The u element is text with an unarticulated, though explicitly rendered, non-textual annotation

~~This text is deleted~~ and This text is inserted

~~This text has a strikethrough~~

Superscript[®]

Subscript for things like H₂O

This small text is small for for fine print, etc.

Abbreviation: HTML

Keyboard input: **Cmd**

"This text is a short inline quotation"

This is a citation

The *dfn* element indicates a definition.

The **mark** element indicates a highlight

`This is what inline code looks like.`

This is sample output from a computer program

The *variable* element, such as $x = y$

REQUIREMENTS

COURSES

ADVISING

FACULTY

This tab presents information on the course requirements. This is the first tab and has the highest priority.

We continually create opportunities for you to discover your unique path in life. With 73 degrees and more than 500 courses that combine learning with real-world experience, it's no wonder our University's motto is "Experientia Docet," or experience teaches. At San Francisco State University, you'll put your passion into action.

From your first steps on campus, you'll be encouraged to speak up, step out and immerse yourself in all the opportunities an San Francisco State education can bring: job opportunities, internships, scholarships, community service adventures, social justice activism and interdisciplinary collaboration with students from every country in the world – not to mention the exciting experience of living in San Francisco.

You'll never get more attention from your teachers than at SF State. With average class sizes of fewer than 30 students, professors are available for one-on-one time with students. Because our professors understand students don't all learn the same way, they work to tailor the learning process for you. Not only are they great teachers, they are masters in their fields.

From San Francisco State, our graduates can go anywhere. Our alumni are leaders in journalism, creative writing, film, technology, science, business, government and education. Our alumni have won 20 Pulitzers, 16 Oscars, 48 Emmys, 10 Grammys and 12 Tonys. SF State is consistently one of the top feeder schools for employees at Apple, Google, Kaiser Permanente, Wells Fargo, Genentech, Oracle, the San Francisco Unified School District and the city and county of San Francisco.

Puglia's most famous sight is the unique conical houses (Trulli) found in the area around Alberobello, a declared UNESCO World Heritage Site. Well - you need to fix the width to display the image, so once you fix the width you need to make sure the image fits within the assigned width. So, I suggest you should add the fix width like for example 25% so any of the image you want to display should be displayed within the assigned width.
