Orientation is held just prior to the start of the first semester and includes academic information and professional development workshops.

Students complete the 700-level courses listed above to satisfy pre-requisite requirements. Students may be waived from the pre-requisite requirements however, if they completed equivalent academic course work at a recognized college in the last 5-7 years with a B- or better grade (subject to faculty review).

All courses in the MSA program are three (3) units each and must be taken for a letter grade.
